## Garbo 9 Light with bespoke shades

---

The Garbo range features either our polished bronze or pewter finishes with beautiful, faceted resin components; complete with curved black metalwork.

The fitting comes with our bespoke hard shades. Please specify outer shade and lining colour at the time of ordering.

Our bespoke lampshades are manufactured by our sister brand **The Light Shade Studio**. Shades are available to order from our extensive palette of luxurious silk dupions, silk linens and smooth satin fabrics.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. (None of the above affects your statutory rights where goods are faulty or not as described).

The fitting is supplied with an extra 50cm of cable, additional chain is available on request.

We recommend the use of 9 x LED Golf Ball style lamps (see **BUL/E14/LED/15**) with this pendant, to be ordered separately.
