Bodkin 5 Light Pendant Strawberry & Blush Pink

Our new Bodkin collection features an intricate basket weave design which works perfectly in a high gloss bright colourway on the body and flairs, contrasted with matt arms to create a dynamic high contrasted piece which is destined to make a strong colour impact in any interior scheme. Shown in our luscious Strawberry gloss with delicate Blush Pink matt arms.

This five light fitting is also available to bespoke in your combination of any of our twelve curated palette paint colours and five additional special paints for this range. The creamy Coconut, the luscious Strawberry, the rich Aubergine, the aquatic Amalfi Blue, and the classic Persian Blue.

We have styled with our Pleated Gathered 14 cm shades in bespoke fabric or a classic ivory pleated shade. Shades sold separately.
