Station Bespoke 2 Light Pendant Bar

A classic and understated 2 light pendant bar which is carefully sprayed by hand in our Cotswolds based workshop.

We are delighted to offer a beautiful palette of heritage inspired paint colours. The Station collection is an iconic range which has been handcrafted, using traditional methods of metal spinning.

We recommend the use of a LED Classic GLS Lamp with this pendant, to be ordered separately (See **BUL/E27/LED/17** if Opal glass is selected or **BUL/E27/LED/16** with Clear).

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).
