Orb Bespoke 8 Light 1200mm Pendant

Carefully sprayed by hand in our Cotswolds workshop, the Orb 8 light pendant can be customised to your individual specification from a comprehensive palette of heritage paint finishes.

Shades can also be used with this product, see our natural **linen Bryon** BYR26 candle clip shades, to be ordered separately. Bryon shades are also available in a choice of stunning fabrics and colours. See our **made to order** shade collection for further options.

Due to the handcrafted nature of this product all dimensions are approximate. This may give an optical illusion when viewed from different angles.

If the fitting is to be installed with Byron clip shades, we recommend the use of standard LED Candle Lamps (see **BUL/E14/LED/13**) or simply with our Coupe de Vent lamps (**BUL/E14/LED/14**) to create an elegant look. Lamps to be ordered separately.

The fitting is supplied with an extra 50cm of cable, additional chain available on request.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).

As a result of the size and complexity of the product, the Orb 8 light is supplied fully assembled and delivered on an out of gauge pallet.
