Croc Table Lamp with Bespoke shade

Croc table lamp with resin casting set in a matching framework and base. Available in either a warm bronze or cool pewter finish complete with bespoke shade.

Please specify outer shade and lining colour at the time of ordering.

Our shades are manufactured by our sister brand **The Light Shade Studio**. Shades are available to order from our extensive palette of luxurious silk dupions, silk linens and smooth satin fabrics. Please specify outer shade when ordering.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. (None of the above affects your statutory rights where goods are faulty or not as described).

We recommend the use of LED Golf Ball style lamps (see **BUL/B22/LED/4**) with this table lamp, to be ordered separately.
