The incredible Orb collection features hand curved solid brass metalwork that encapsulates a striking chandelier.

This supernova pendant is complete with an antique brass finish.

Shades can also be used with this product, see our natural **linen Bryon** BYR26 candle clip shades, to be ordered separately. Bryon shades are also available in a choice of stunning fabrics and colours. See our **made to order** shade collection for further options.

Due to the handcrafted nature of this product all dimensions are approximate. This may give an optical illusion when viewed from different angles.

If the fitting is to be installed with Byron clip shades, we recommend the use of standard LED Candle Lamps (see **BUL/E14/LED/13**) or simply with our Coupe de Vent lamps (**BUL/E14/LED/14**) to create an elegant look. Lamps to be ordered separately.

The fitting is supplied with an extra 50cm of cable, additional chain available on request.
