Orb 3 Light Large Pendant Butter Brass

The incredible Orb collection features hand curved solid brass metalwork that encapsulates a striking chandelier.

This supernova pendant is complete with a silky-smooth butter brass finish.

Due to the handcrafted nature of this product all dimensions are approximate. This may give an optical illusion when viewed from different angles.

As a result of the size and complexity of the product, the Orb 8 light is supplied fully assembled and delivered on an out of gauge pallet.
