Rex Single Wall Light Bronze

Contemporary oval tubes are complemented by beautiful curves to create a versatile range suited to both hospitality and domestic use.

Our bespoke lampshades are manufactured by our sister brand **The Light Shade Studio**. Shades are available to order from our extensive palette of luxurious silk dupions, fine linens and smooth satin fabrics.

The Rex wall light in Bronze is sold complete with shade and metallic lining in a bronze colourway. Matching 5 and 8 light pendant available; also available in a satin nickel finish.

We recommend the use of LED Golf Ball style lamps (see **BUL-E14-LED-15**) with this wall light, to be ordered separately.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).
