Shades are available to order from our extensive palette of luxurious silk dupions, silk linens and smooth satin fabrics, with a choice of white laminate, lavish gold, cool silver and warm bronze metallic linings.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described.)

The pendant has a dual mount option and can be installed with the chain (not shown) or adapted to fit directly to the ceiling. The fitting is supplied with an extra 50cm of cable, see [accessories](#) for additional chain.
