## Lizard Pendant with Bespoke Shade

---

The Lizard shaded pendant combines an elegant drum shade with crystal glass decoration to add a touch of glamour. Shown here with Taupe, Black and Silver Grey shades in a natural handwoven 100% silk dupion fabric with a sharp rolled edge finish. With the option of a hard backed soft gold, matt silver or warm coppery bronze metallic lining, our silk shades will complement any contemporary living space.

The lamp is diffused by a floating baffle finished in a matching fabric.

The shade is supported by three tension cables which enable the overall height to be adjustable during installation. The single light suspension is finished with a polished chrome ceiling plate.

Our bespoke lampshades are manufactured by our sister brand **The Light Shade Studio**. Shades are available to order from our extensive palette of luxurious silk dupions, fine linens and smooth satin fabrics.

We recommend the use of a LED Classic GLS Lamp (see **BUL/E27/LED/16**) with this pendant, to be ordered separately.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).
