Paolo Bespoke 80cm 4 Light Ceiling Flush

Our large Paolo Ceiling fitting combines a shallow bespoke drum shade with a white cotton diffuser which provides a soft and even distribution of light. The shade sits neatly to the ceiling and the minimal height of the shade makes it a popular choice for areas with low ceilings. There is also ample space inside the shade to accommodate four energy saving lamps. The outer shade is manufactured using a natural handwoven 100% silk dupion with a clean rolled edge finish.

Our bespoke lampshades are manufactured by our sister brand **The Light Shade Studio**. Shades are available to order from our extensive palette of luxurious silk dupions, fine linens and smooth satin fabrics.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).

We recommend the use of 4 x LED Classic GLS Lamps (see **BUL/E27/LED/17**) with this pendant, to be ordered separately.
