Polo 85cm 6 Light Pendant

The Polo 85cm 6 light pendant fitting features a doughnut style silk shade with frosted glass and polished chrome detailing. The shade shown is manufactured using a natural handwoven 100% silk dupion on a white laminate lining, with a sharp rolled edge finish. To create an impressive two tone effect shades can be lined with any fabric from our extensive palette of luxurious silk dupions, fine linens and smooth satin fabrics.

Our bespoke lampshades are manufactured by our sister brand **The Light Shade Studio**.

At the base of the pendant is a frosted tempered glass diffuser, which is secured in place by three decorative polished chrome plates. The shade is supported by three tension cables which enables the overall height to be adjusted during installation to a maximum of 3 metres.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).

We recommend the use of 6 x LED Classic GLS Lamps (see **BUL/E27/LED/17**) with this pendant, to be ordered separately.
