Renoir Bespoke 60cm 3 Light Pendant

This timeless drum 3 light pendant offers a modern and effective lighting solution for a variety of applications. Shown here with shades manufactured using natural handwoven 100% silk dupion fabric with a sharp rolled edge finish.

Our bespoke lampshades are manufactured by our sister brand **The Light Shade Studio**. Shades are available to order from our extensive palette of luxurious silk dupions, fine linens and smooth satin fabrics.

At the base of the shade sits a frosted glass diffuser which is tempered for added safety. The glass is retained by a polished chrome plate and decorative finial which coordinates with a matching ceiling plate. The overall height of the fitting can be fixed during installation by adjusting the tension cable to a maximum height of 3 metres.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).

We recommend the use of 3 x LED Classic GLS Lamps (see **BUL/E27/LED/17**) with this pendant, to be ordered separately.
