## Tapered Drum 80cm Pendant Shade

---

A contemporary tapered drum shade with a sharp rolled edge finish.

The shade is designed for use as a pendant only and is compatible with a variety of electrified suspensions and coordinating silk and acrylic diffusers. Due to the weight of the 80cm pendant shade and to ensure stability, this shade must be used with our 6 light electrified suspension (SP0650).

Our bespoke lampshades are manufactured by our sister brand **The Light Shade Studio**. Shades are available to order from our extensive palette of luxurious silk dupions, silk linens and smooth satin fabrics, with a choice of white laminate, lavish gold, cool silver and warm bronze metallic linings.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. (None of the above affects your statutory rights where goods are faulty or not as described.)
