

ORB

6 Light Pendant Bespoke Fitting Only

Carefully sprayed by hand in our Cotswolds workshop, the Orb 6 light pendant can be customised to your individual specification from a beautiful palette of heritage inspired paint colours. Shades can also be used with this product, see our natural linen Bryon BYR26 candle clip shades, to be ordered separately. Bryon shades are also available in a choice of stunning fabrics and colours. See our made to order shade collection for further options. Due to the handcrafted nature of this product all dimensions are approximate. This may give an optical illusion when viewed from different angles. The fitting is supplied with an extra 50cm of cable, additional chain available on request.

The Orb is sold as a fitting only; shades are sold separately. We recommend our BYR26 shade. [Click here to shop.](#)

Height is adjustable at the point of installation (100-150cm).

Bulb not included; takes 6 x 40W max SES CNDL. We recommend our BUL-E14-LED-14 bulb. [Click here to shop.](#)

Dimmable when paired with suitable bulbs.

Bespoke Orders

This is a fully customisable product, hand crafted in our workshop located in the Cotswolds. You can contact us directly discuss your unique requirements, or alternatively you can customise your product by using our product configurator to see your design before placing an order.

Returns

As our bespoke or customised fittings are made to your specific specification, these are not covered by our standard returns policy. We are unable to offer refunds after the initial 24 hour cooling off period. Please see our Terms and Conditions for more details. None of the above affects your statutory rights where goods are faulty or not as described.
