

FLEMISH

5 Light Armed Pendant Bespoke Fitting Only

A classic design based on the 15th century dutch chandeliers, Our Flemish Collection stays true to the original simplicity of the early designs. We have updated the design by offering the full Flemish collection in your choice of our selected paint palette finish. The Flemish collection is well suited to be paired with our Byron Linen candle clip shades for a more traditional feel. The pendants include an extra 50cm of cable, additional chain available on request.

The Flemish is sold as a fitting only; shades are sold separately. We recommend our BOD0515 shade. [Click here to shop.](#)

Height is adjustable at the point of installation (50-90cm).

Bulb not included; takes 5 x 40W max SES CNDL. We recommend our BUL-EI4-LED-13 bulb. [Click here to shop.](#)

Dimmable when paired with suitable bulbs.

Bespoke Orders

This is a fully customisable product, hand crafted in our workshop located in the Cotswolds. You can contact us directly discuss your unique requirements, or alternatively you can customise your product by using our product configurator to see your design before placing an order.

Returns

As our bespoke or customised fittings are made to your specific specification, these are not covered by our standard returns policy. We are unable to offer refunds after the initial 24 hour cooling off period. Please see our Terms and Conditions for more details. None of the above affects your statutory rights where goods are faulty or not as described.
