

DURRELL

8 Light Armed Pendant Antique Brass Fitting Only

The Durrell 8 Light Armed Pendant is a commanding centrepiece crafted from solid brass and finished in a beautifully aged antique brass. Spanning an impressive one metre in diameter, its circular frame and candle-style arms create a striking architectural presence, suspended from decorative chain detailing for added gravitas. Designed with versatility in mind, Durrell offers a dual-mount option and can be paired with shades to tailor the look, sold separately. Equally at home in grand dining spaces, double-height rooms or statement halls, this is lighting with true heritage confidence and designer intent.

The Durrell is sold as a fitting only; shades are sold separately. We recommend our BYR07 shade. [Click here to shop.](#)

The durrell has a dual mount option and can be installed with the supplied chain or directly to the ceiling.
