

## DOREEN

### *9 Light Armed Pendant Pewter With Bespoke Shade*

The Doreen 9 Light Armed Pendant is a striking centrepiece that celebrates symmetry, craftsmanship and timeless proportion. Finished in softly aged pewter, its elegantly curved arms radiate from a finely detailed, ribbed central column, creating a sense of balance and architectural poise. Each light is dressed with a bespoke fabric shade, available in a choice of our own fabrics and colours, allowing the design to be tailored to its setting. Ideal for dining rooms and larger living spaces, Doreen brings graceful scale and refined sophistication to considered interiors.

The Doreen comes complete with a Bespoke Fabric Candle shade. Height is adjustable at the point of installation (80-110cm). Bulb not included; takes 9 x 40W max SES GB. We recommend our BUL-E14-LED-3 bulb. [Click here to shop.](#) Dimmable when paired with suitable bulbs.
