

ANTLER

16 Light Armed Pendant Rustic Finish Fitting Only

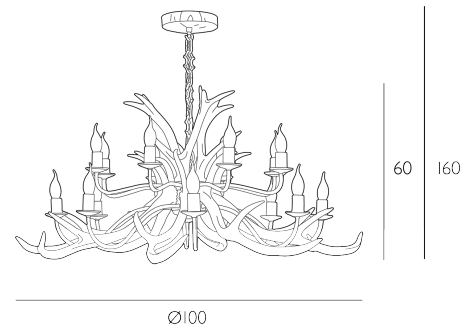

The Antler 16 Light Armed Pendant is a dramatic celebration of scale, craftsmanship and natural form. Each antler is individually handmade and moulded from naturally fallen Highland antlers, then meticulously hand painted in a rich rustic finish to capture the texture and character of the original source. Sweeping arms radiate outward to create a powerful, sculptural silhouette, offering a striking balance between raw inspiration and refined design. Designed as a fitting only, Antler is a commanding centrepiece for large interiors, bringing warmth, theatre and unmistakable presence to grand dining spaces, lodges and statement rooms.

The Antler is sold as a fitting only; shades are sold separately. Height is adjustable at the point of installation (60-160cm). Bulb not included; takes 16 x 60W max SES CNDL. We recommend our BUL-EI4-LED-14 bulb. [Click here to shop.](#) Dimmable when paired with suitable bulbs.
