

SNAKE

Wall Light Bespoke With Bespoke Shade

The Snake Wall Light is a bold and sculptural statement, artfully formed to capture the fluid movement and intricate texture of coiled scales. Available in a richly finished bronze or pewter, the base exudes depth and character, creating a striking interplay of light and shadow across its detailed surface. Crowned with a bespoke fabric shade, available in a choice of our own fabrics and colours, the design balances drama with softness, diffusing a warm, ambient glow. Distinctive and unapologetically decorative, Snake brings theatrical elegance to hallways, living spaces and curated interiors.

The Snake comes complete with a Bespoke Fabric Half drum shade. Bulb not included; takes 1 x 40W max ES GB. We recommend our BUL-E27-LED-22 bulb. [Click here to shop.](#)
Dimmable when paired with suitable bulbs.
