

## PLANET

### *Wall Light Dark Blue/Gold With Shade*

Inspired by the night sky above and the planets that move through our universe, our handcrafted Planet design is an ode to astronomy and the heavenly bodies. Hand finished in our new inky blue and gold gloss lacquer, we have created a visually unique design that brings the magic of the night sky down to Earth. Planet pendant shown here with our new Poseidon satin colourway.

The Planet comes complete with a Bespoke Fabric Half drum shade. Bulb not included; takes 1 x 40W max ES GB. We recommend our BUL-E27-LED-22 bulb. [Click here to shop.](#)

Dimmable when paired with suitable bulbs.

#### Bespoke Shades

Our high quality fabric shades, hand crafted in our Oxfordshire workshop by our sister brand The Light Shade Studio, with a choice of luxurious fabrics in 100% Dupion Silk, Satin or Linen in an array of shapes, sizes, and colours. If you would like to supply your own fabric, then please contact us to discuss your personalised requirements. Customise your shade by using our product configurator to see your design before placing an order.

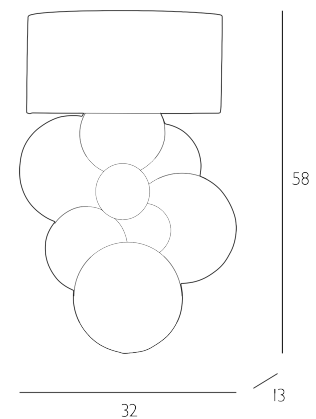

#### Returns

As our bespoke or customised fittings are made to your specific specification, these are not covered by our standard returns policy. We are unable to offer refunds after the initial 24 hour cooling off period. Please see our Terms and Conditions for more details. None of the above affects your statutory rights where goods are faulty or not as described.
