

NOMAD

Table Lamp Marble and Wood Base Only

We have searched the globe for the finest porcelain, ceramic and glass makers to produce a curated collection of table lamps invoking the spirit of travel and exploration. The Alchemist Collection has been designed to perfectly complement our long and proud Cotswold heritage. The beautiful Nomad table lamp features a Pele de Tigre marble base with wood detailing that combines modern design with timeless elegance. Sold as base only, shown with a fine linen shade in Bone, handcrafted using 100% linen fibres with a rigid hard backed whitelaminated inner, available to purchase separately. Marble is a natural material with distinctive variation in colouration and markings, meaning that our Pele de Tigre marble products are defined by their uniqueness. No two pieces of marble will appear the same; adding exquisite character and individuality to each piece.

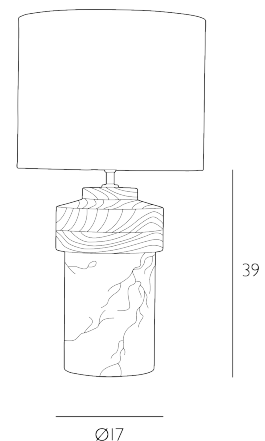

The Nomad is a base only product; shade sold separately. We recommend our DRM30 shade. [Click here to shop.](#)
