

## HAMPSTEAD

### *Wall Light Antique Silver With Shade*

The Hampstead Wall Light in antique silver offers a cooler, more contemporary interpretation of this architectural design. The clean-lined frame is finished in softly aged antique silver, bringing a refined metallic sheen that enhances both modern and classic interiors. A bespoke fabric shade sits elegantly within the structure, diffusing the light to create a calm, atmospheric glow and available in a choice of our fabrics and colours for a fully tailored finish. Balanced and considered in proportion, Hampstead is an elegant choice for hallways, bedrooms and living spaces where understated luxury is key.

The Hampstead comes complete with a Bespoke Fabric Cylinder shade. Bulb not included; takes 1 x 40W max SES CNDL. We recommend our BUL-EI4-LED-13 bulb. [Click here to shop.](#)  
Dimmable when paired with suitable bulbs.
