

## CROC

### *Table Lamp Bespoke With Bespoke Shade*

The Croc Table Lamp translates the collection's distinctive texture into a striking sculptural form. Its rectangular base is detailed with an intricate crocodile-effect finish, creating depth, movement and a subtle play of light across the surface. Available in antique brass or pewter, the metalwork lends a refined architectural presence, balanced by a bespoke fabric shade above. The shade can be selected from a curated choice of our fabrics and colours, allowing for a tailored, design-led finish. Bold yet elegant, Croc makes a confident statement on consoles, sideboards and bedside tables alike.

The Croc comes complete with a Bespoke Fabric Rounded rectangle shade.
