

CROC

Wall Light Bespoke With Bespoke Shade

The Croc Wall Light is a striking fusion of texture and tailored refinement. Its distinctive backplate features an intricate crocodile-effect finish, creating depth and subtle visual drama, while the structured frame is available in either antique brass or pewter to suit its setting. A bespoke fabric shade softens the silhouette, diffusing the light to produce a warm, ambient glow. The shade can be selected from a curated choice of our fabrics and colours, allowing for a truly personalised finish. Croc brings confident character and elevated craftsmanship to hallways, living spaces and bedrooms alike.

The Croc comes complete with a Bespoke Fabric Rounded rectangle shade.
