

BOAVISTA

Table Lamp Volcanic Silver Base Only

Boavista is a striking expression of artisanal glassmaking, defined by its richly textured volcanic silver finish. Layered, hand-worked glass forms create depth and movement, catching the light with a quiet, molten shimmer that feels both elemental and refined. Sold as a base only, the design invites personal expression through the choice of shade, allowing the lamp to be styled to suit its setting. Part of the Alchemist Collection, Boavista reflects a spirit of travel and discovery, bringing globally inspired craftsmanship into harmony with David Hunt Lighting's long-standing Cotswold heritage.

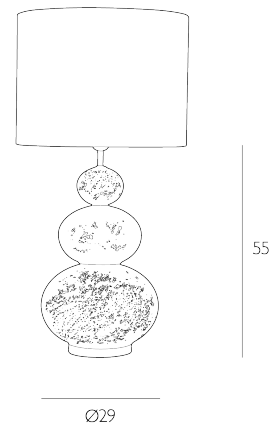

The Boavista is a base only product; shade sold separately. We recommend our DRM40 shade. [Click here to shop.](#)

Bulb not included; takes 1 x 60W max ES GLS. We recommend our BUL-E27-LED-16 bulb. [Click here to shop.](#)
