Table Lamp Pewter Base Only

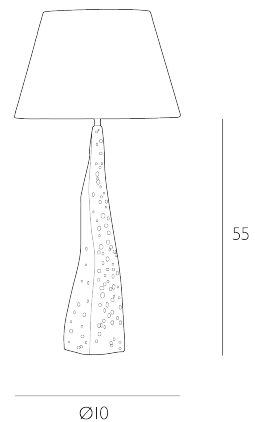

The Aztec hammered table lamp has been updated in our classic Pewter finish for a cool tonal feel on this wonderfully textured lamp base. Aztec is one of our design classics, first introduced into our collections in 2005. An enduring piece the Aztec lamp is available in Copper and Pewter. Our Aztec hammered Pewter table lamp is shown with a classic Empire style shade, to be ordered separately. Shown with our Seal satin shade, a hard backed silver laminate inner, available to purchase separately.

The Aztec is a base only product; shade sold separately. We recommend our EMP35 shade. Click here to shop.
