

APACHE

Table Lamp Marble and Dark Wood Base Only

The elegant Apache table lamp features a Pele de Tigre marble base with wood detailing that combines modern design with timeless elegance. Sold as base only, we recommend our optional Tapered shade TAP40 to complete this stunning piece. Marble is a natural material with distinctive variation in colouration and markings, meaning that our Pele de Tigre marble products are defined by their uniqueness. No two pieces of marble will appear the same; adding exquisite character and individuality to each piece.

The Apache is a base only product; shade sold separately.
Bulb not included; takes 1 x 60W max ES GLS. We recommend our BUL-E27-LED-I 6 bulb. [Click here to shop.](#)
