

## AMELIE

### *Wall Light Bespoke and Bespoke Bracket Only*

AMELIE features a classic vintage bow design and gently sweeping arms, making for an exceptionally pretty and instantly lovable collection. The core concept originated from mouldings taken from the design archives, before being reinvented to form the beautifully hand-painted decorative flares and central body. Offered in AMALFI BLUE as standard, AMELIE is also available in the full range of PALETTE colours.

The Amelie is sold as a fitting only; shades are sold separately. We recommend our PLG14 shade. Click here to shop.  
Bulb not included; takes 1 x 40W max SES CNDL. We recommend our BUL-E14-LED-13 bulb. Click here to shop.  
Dimmable when paired with suitable bulbs.

#### Bespoke Orders

This is a fully customisable product, hand crafted in our workshop located in the Cotswolds. You can contact us directly discuss your unique requirements, or alternatively you can customise your product by using our product configurator to see your design before placing an order.

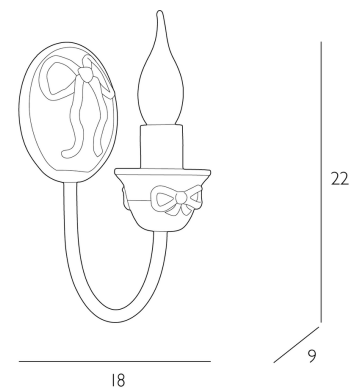

#### Returns

As our bespoke or customised fittings are made to your specific specification, these are not covered by our standard returns policy. We are unable to offer refunds after the initial 24 hour cooling off period. Please see our Terms and Conditions for more details. None of the above affects your statutory rights where goods are faulty or not as described.
