

LEVANT

Pendant White With Shade

Deriving its name from the Eastern region of the Mediterranean, our new LEVANT pendant is a stylistic continuation of our unique hammered resin finish, which gives a tactile depth to this open pendant design. LEVANT is available in three finishes; BRONZE, PEWTER and our popular new CHALKY WHITE, and pairs perfectly with our range of shade options, which are available to order complete with the product. Shown in CHALKY WHITE with POSEIDON and WHITE shade.

The Levant comes complete with a Bespoke Fabric Cylinder shade. Height is adjustable at the point of installation (75-125cm). Bulb not included; takes 1 x 40W max SES CNDL. We recommend our BUL-E14-LED-13 bulb. [Click here to shop.](#) Dimmable when paired with suitable bulbs.
