

TORBAY

Outdoor Wall Light Grey IP65

Our TORBAY range is a welcome addition to our extremely popular outdoor collection and consists of a single and double outdoor wall light, the single being able to mount either up or down dependant on the requirement and the double being both an up and downlighter. Both constructed from cast stone for a unique and organic finish, perfect for outdoor environments.

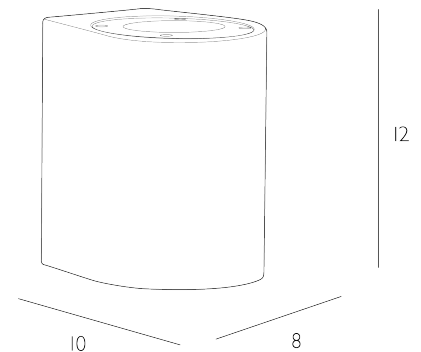

Bulb not included; takes 1 x 7W max GU10 LED

Although this outdoor light has been designed for outdoor environments and tested to IP65 standards, it is unsuitable for harsh coastal environments, including any area with salty air conditions. Installing in a coastal or harsh environment may mean the finish of this light degrades much more quickly and cannot be covered under warranty. This light should not be installed on surfaces that could contain corrosive substances, including lime-based renders or paint.
