

## SOLENT

### *Outdoor Wall Light Black and Glass*

SOLENT is a welcome addition to our extremely popular outdoor collection and features a metal alloy construction with powder coat finish enveloping a clear glass shade. SOLENT is also IP23 rated so well constructed for outdoor usage.

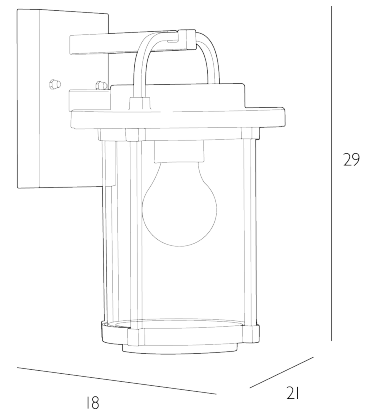

Bulb not included; takes 1 x 60W max ES GLS. We recommend our BUL-E27-LED-I6 bulb. [Click here to shop.](#)

Although this outdoor light has been designed for outdoor environments and tested to IP23 standards, it is unsuitable for harsh coastal environments, including any area with salty air conditions. Installing in a coastal or harsh environment may mean the finish of this light degrades much more quickly and cannot be covered under warranty. This light should not be installed on surfaces that could contain corrosive substances, including lime-based renders or paint.
