

SAVOY

Semi-Flush Antique Brass

The Savoy Semi-Flush is a sophisticated composition of layered materials and refined craftsmanship. Warm antique brass and bronze metalwork frame an elegant glass form, combining an acid-finished outer shade with a beautifully diffused Italian inner glass featuring a subtle marble effect. This considered pairing creates depth and a softly ambient glow, bringing visual interest even when unlit. Ideal for rooms with lower ceilings where design impact is still desired, Savoy delivers a sense of quiet luxury, perfectly balancing decorative presence with understated elegance.
