

LIQUID

Table Lamp Black Ceramic Base Only

Liquid is an evocative, sculptural table lamp defined by its richly ribbed ceramic form and deep black finish. The tactile surface creates a sense of movement and depth, drawing the eye while celebrating the beauty of hand-worked craftsmanship. Sold as a base only, the design invites a considered pairing with a shade of choice, allowing the look to be tailored to its setting. Part of The Alchemist Collection, Liquid reflects a spirit of travel and exploration, bringing globally inspired artistry into elegant balance with David Hunt Lighting's long and proud Cotswold heritage.

The Liquid is a base only product; shade sold separately. We recommend our DRM30 shade. [Click here to shop.](#)
