JUNO

30 Light Pendant Antique Brass and Smoked Glass

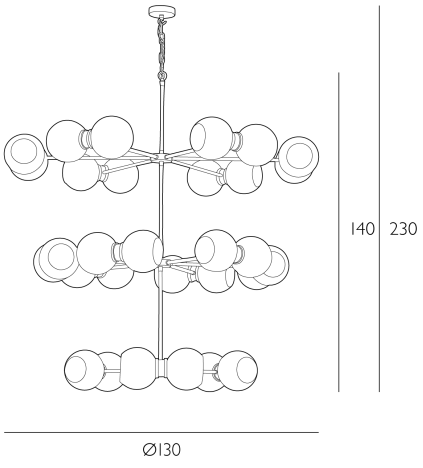

Architectural and arresting, the Juno chandelier is a sculptural centrepiece that reimagines mid century form through a modern lens. A vertical spine supports a bold, geometric arrangement of linear arms, each adorned with precision blown glass orbs in a warm amber hue. These globes encase exposed filament bulbs, delivering ambient glow and graphic drama. With its stacked three tier silhouette and elegant antique brass finish, Juno strikes a balance between industrial edge and celestial grace ideal for lofty spaces, dining rooms, and statement stairwells.

Height is adjustable at the point of installation (140-230cm).
Bulb not included; takes 30 x 60W max ES GLS. We recommend our BUL-E27-LED-16 bulb. Click here to shop.
Dimmable when paired with suitable bulbs.
