Table Lamp Distressed Grey and Coconut Base Only

Rooted in traditional elegance and refined craftsmanship, the Flemish Table and Floor lamps join the wider Flemish Collection to bring timeless form into the present day. Featuring graceful baluster inspired stems and softly tapered shades, these table and floor lamps are designed to elevate both contemporary and classic interiors. Based on the dutch chandeliers of the 15th century the flemish collection blends historical detail with modern finishes from smooth matte lacquers to our renowned 'verona' distressed finish allowing each piece to become a sculptural accent as well as a functional light source. Shades sold separately.
