

BOCA

Wall Light Alabaster Glass and Brass LED

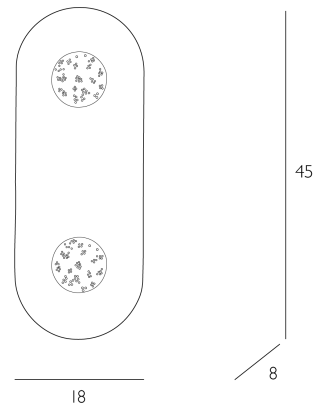

The Boca wall light is a poetic exploration of elemental materials and sculptural light. Carved from natural alabaster, each diffuser glows with a soft, cloud-like translucency brought to life by the warmth of hidden illumination. At its heart, a textured bronze disc anchors the design. Available as a single and double wall light.

The Boca features an integrated LED light source; 1 x 14w LED inc | 1246 lumens | 3000k
