

ALBANY

Wall Light Antique Brass and Matt Brown LED

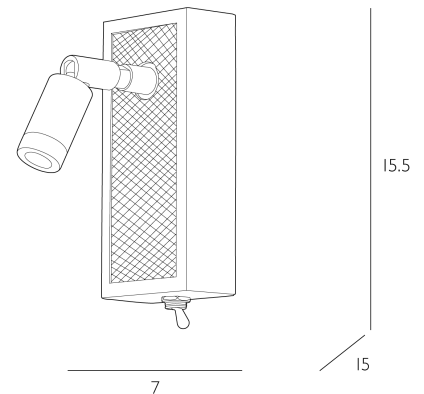

The Albany Spot Light blends heritage detailing with contemporary function, offering a smart, stylish solution for focused illumination. Set on a antique brass backplate with a richly textured woven leather detailed inlay, the Albany brings artisanal warmth to an otherwise minimal silhouette. Its directional spotlight pivots effortlessly, casting a clean, concentrated beam ideal for reading in bed or accenting artwork and shelving. Finished in antique bronze with subtle patina, the Albany is a refined choice for interiors that value craftsmanship as much as utility.

The Albany features an integrated LED light source; 1 x 1w LED inc | 70 lumens | 3000k
