## *Table Lamp Polished Chrome And Bespoke Base Only*

Modern elegance meets tactile craftsmanship in this exciting addition to our beloved Hunter Collection. Now available to customise with our 18 colour paint palette and with a new sleek and contemporary chrome finish, Hunter is a striking family of lighting defined by its signature woven detailing. Each piece combines polished metal with luxuriously textured inserts, adding depth and warmth to the contemporary profiles. Rich fabric shades in vivid hues or soft neutrals cast a gentle glow, while the distinctive woven elements nod to artisanal heritage and craftsmanship. The Hunter Collection includes pendants, wall lights, table and floor lamps perfect for bringing cohesive, high design lighting into both modern and transitional spaces.

The Hunter is a base only product; shade sold separately. We recommend our EMP20 shade. [Click here to shop.](#)

Bulb not included; takes 1 x 60W max BC GB. We recommend our BUL-B22-LED-3 bulb. [Click here to shop.](#)
