

PLATO

Wall Light Ribbed Glass and Hand-brushed Black/Gold

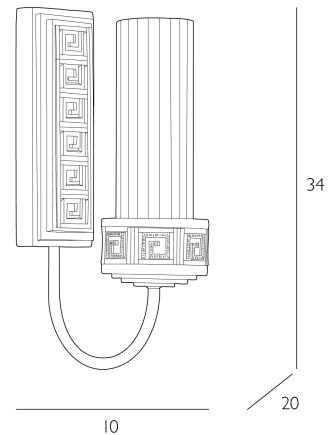

Infused with classical charm and refined geometry, the Plato wall light blends architectural texture with soft illumination. Inspired by the ancient Greek key motif, the design features a sculptural backplate and lamp holder embossed with a repeating key pattern, lending depth and ornamentation. A clear ribbed glass shade adds elegance and diffuses light with gentle brilliance. Available in cream and gold or black and gold, Plato is a statement piece ideal for hallways, living rooms, or bathrooms. Its symmetrical form and timeless palette make it equally suited to traditional and contemporary interiors.
