DOCK

Outdoor Wall Light Antique Brass and Frosted Glass IP44

The Dock Outdoor Wall Light combines practical outdoor lighting with a classic industrial feel. Finished in antique brass, it features a rounded frosted glass diffuser protected by a cross bar detail, softening the light while adding character and durability. With an IP44 rating, it is suitable for covered exterior spaces and everyday use. Ideal for porches, patios, garden walls or beside front and back doors.

Bulb not included; takes 1 x 3W max G9

Although this outdoor light has been designed for outdoor environments and tested to IP44 standards, it is unsuitable for harsh coastal environments, including any area with salty air conditions. Installing in a coastal or harsh environment may mean the finish of this light degrades much more quickly and cannot be covered under warranty. This light should not be installed on surfaces that could contain corrosive substances, including lime-based renders or paint.

SPECIFICATIONS:

Product code:	DOC2175
Measurements:	D4 x Ø10.8cm
Lamp Replaceable:	Yes
Finish:	Antique Brass & Frosted Glass
