

TRONDHEIM

20 Light Chandelier Bespoke Gloss Paint with Short Shades

Bold, expressive and undeniably sculptural, the TRONDHEIM chandelier is a true statement piece. A sweeping arrangement of fluid, looping arms radiates from a central form, creating a dynamic silhouette that feels both architectural and artistic. Available in our Full Paint Palette, TRONDHEIM brings energy and movement to a space, while the series of softly tapered card shades diffuse the light into a warm, inviting glow. Its scale and presence make it ideal for grand interiors, dining rooms, entrance halls or double height spaces where design takes centre stage.

The Trondheim comes complete with a Ivory Card Tapered drum shade. Height is adjustable at the point of installation (90-185cm). Bulb not included; takes 20 x 25W max SES CNDL. We recommend our BUL-EI 4-LED-13 bulb. [Click here to shop.](#) Dimmable when paired with suitable bulbs.
