Table Lamp Tortoiseshell Glass Base Only

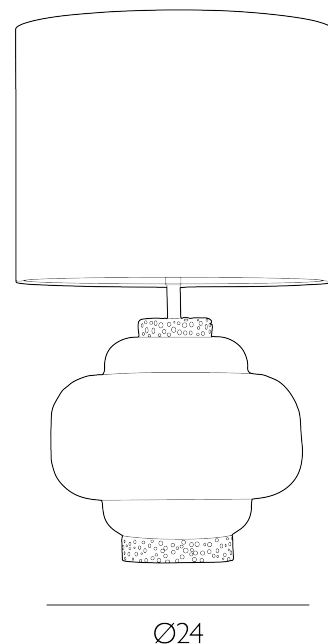

Inspired by the eclectic character of New York's Queens neighbourhood, this statement lamp is part of the Alchemist collection. The bold tortoiseshell glass base features rich, layered tones that catch and reflect the light beautifully. Paired with our handcrafted DRM30 shade, it creates a warm, ambient glow while adding depth and personality to any space.

The Queens is a base only product; shade sold separately. We recommend our DRM30 shade. Click here to shop.
