DAVID HUNT *lighting*

CANTERBURY

Outdoor Porch Light Black and Frosted Glass IP23

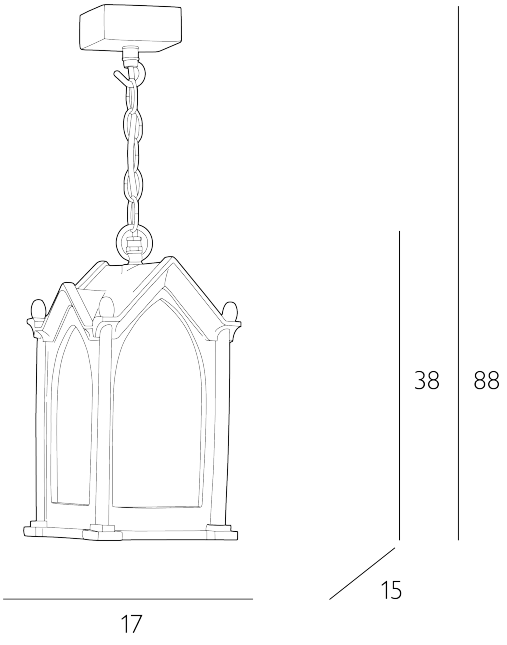

A timeless lantern design with a refined architectural feel, the CANTERBURY pendant features arched panels and a structured frame, casting a soft, diffused glow through frosted glass. Available in classic black or soft sage green, it brings character and warmth. Suitable forporches, entrances and covered outdoor spaces with an IP rating IP23

Height is adjustable at the point of installation (38-88cm).
Bulb not included; takes 1 x 10W max ES GLS. We recommend our BUL-E27-LED-17 bulb. Click here to shop.

Although this outdoor light has been designed for outdoor environments and tested to IP23 standards, it is unsuitable for harsh coastal environments, including any area with salty air conditions. Installing in a coastal or harsh environment may mean the finish of this light degrades much more quickly and cannot be covered under warranty. This light should not be installed on surfaces that could contain corrosive substances, including lime-based renders or paint.
