

BATTERSEA

Double Wall Light Black and Bronze With Shades

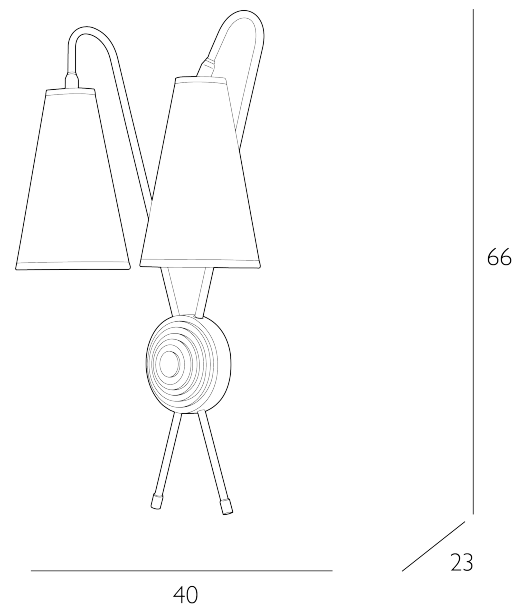

A striking, sculptural design, the BATTERSEA wall light balances clean lines with soft illumination. Two slender arms extend from a textured circular backplate, each supporting our tapered card shades that casts a warm, diffused glow. The contrast of dark metalwork with the softly lit shades creates a refined, contemporary feel, ideal for hallways, living spaces or either side of a bed.

The Battersea comes complete with a Cream Card Tapered drum shade. Bulb not included; takes 2 x 25W max SES CNDL. We recommend our BUL-EI 4-LED-13 bulb. [Click here to shop.](#)
