BERGEN

4 Light Pendant Black and Butter Brass with Tall Shades

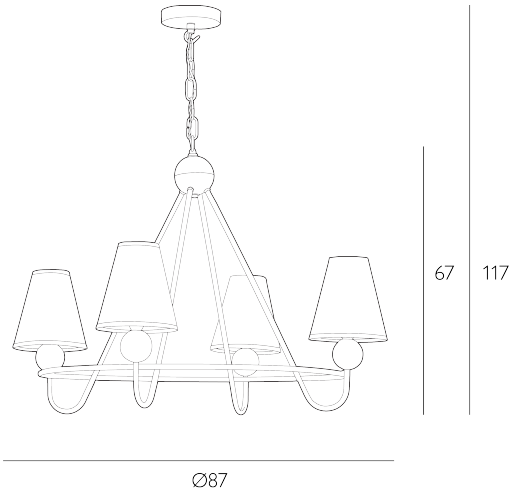

Inspired by mid-century Scandinavian design, the BERGEN pendant balances clean lines with warm, understated detailing. A circular frame is paired with slender, architectural supports and soft antique brass accents, creating a refined yet sculptural form. Four tapered card shades diffuse a gentle, ambient glow, while the contrast of dark metal and brushed brass brings a timeless, design led feel, ideal for dining areas or living spaces.

The Bergen comes complete with a Ivory Card Tapered drum shade.
Height is adjustable at the point of installation (67-117cm).
