

HAMPSTEAD

Wall Light Antique Brass With Shade

The Hampstead Wall Light is a refined interplay of structure and softness, designed with a distinctly architectural sensibility. A clean-lined antique brass frame creates a confident outline, its warm metallic finish lending depth and elegance to the form. At its centre, a bespoke fabric shade introduces texture and gentle diffusion, available in a choice of our fabrics and colours to suit its setting. Carefully balanced and beautifully proportioned, Hampstead is ideal for hallways, living spaces and bedrooms, offering a tailored, design-led solution that feels both contemporary and timeless.

The Hampstead comes complete with a Bespoke Fabric Cylinder shade. Bulb not included; takes 1 x 40W max SES CNDL. We recommend our BUL-EI4-LED-13 bulb. [Click here to shop.](#)
Dimmable when paired with suitable bulbs.
