

BUSHWICK

Table Lamp Bespoke With Bespoke Shade

The Bushwick Table Lamp is elevated through the addition of a bespoke fabric shade, creating a refined balance between architectural metalwork and tailored softness. Clean-lined and confidently proportioned, the frame is available in a choice of antique brass or satin chrome, offering versatility across both classic and contemporary settings. The bespoke shade can be selected from our curated range of fabrics and colours, allowing the design to be personalised to its surroundings. Thoughtfully composed and quietly luxurious, Bushwick brings a considered, design-led presence to desks, consoles and side tables.

The Bushwick comes complete with a Bespoke Fabric Cylinder shade. Bulb not included; takes 1 x 60W max ES GLS. We recommend our BUL-E27-LED-16 bulb. [Click here to shop.](#)
