

## STRAIT

### *Outdoor Wall Light Antique Brass IP44*

Strait solid brass wall light in an antique brass finish, cast with a raw textured finish.

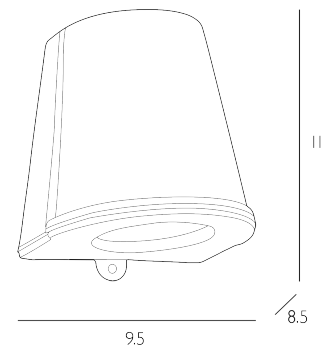

Bulb not included; takes 1 x 7W max GU10 Reflector. We recommend our BUL-GU10-LED-8 bulb. [Click here to shop.](#)

Although this outdoor light has been designed for outdoor environments and tested to IP44 standards, it is unsuitable for harsh coastal environments, including any area with salty air conditions. Installing in a coastal or harsh environment may mean the finish of this light degrades much more quickly and cannot be covered under warranty. This light should not be installed on surfaces that could contain corrosive substances, including lime-based renders or paint.
