

FALMOUTH

2 Light Outdoor Wall Light Matt White IP54

The Falmouth Outdoor Wall light is IP44 rated and illuminates both upwards and downwards creating a versatile design available in a durable matt finish of black, grey and cream.

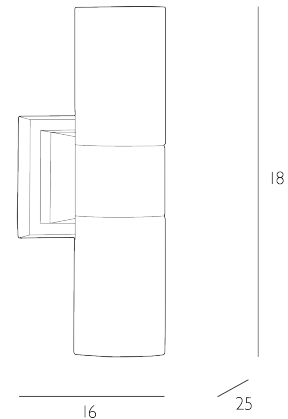

Bulb not included; takes 2 x 50W max GU10 Reflector. We recommend our BUL-GU10-LED-8 bulb. [Click here to shop.](#)

Although this outdoor light has been designed for outdoor environments and tested to IP54 standards, it is unsuitable for harsh coastal environments, including any area with salty air conditions. Installing in a coastal or harsh environment may mean the finish of this light degrades much more quickly and cannot be covered under warranty. This light should not be installed on surfaces that could contain corrosive substances, including lime-based renders or paint.
